

PSA will continue to take a layered approach and monitor their ability to implement **5 key mitigation strategies:**

- Consistent and correct use of masks
- Social distancing
- Hand hygiene
- Cleaning and disinfection
- Contact tracing in collaboration with local health department

**We are seeing more positive cases within the student body. Thank you for taking symptoms seriously and keeping children home until they are symptom free.**

***Symptoms similar to COVID-19:***

- Do NOT attend school if you have experienced any of these symptoms:
  - Fever or chills
  - Cough, runny nose, sore throat
  - Shortness of breath or difficulty breathing
  - Nausea, vomiting or diarrhea
  - Rash
  - Loss of taste or smell
- Students may return with a negative COVID-19 test result, an alternative diagnosis from a doctor or symptom free for 24 hours.

**Positive Test for COVID-19:**

- Quarantine for 10 days
  - Onset of symptoms is Day 0, Return on Day 11
- Contact tracing required
  - Close contacts without a mask must be quarantined for 10 days.
  - Non-Household close contact must be quarantined for 10 days, but may return earlier with a negative test result after 5 days of quarantine.
  - If fully vaccinated, quarantine if showing symptoms.
